

## **SPORTS REPORT JANUARY BOARD OF EDUCATION MEETING**

Winter sports are in full swing with all teams in action and doing well.

We have had home matches for both Varsity and Modified Wrestling and have recognized our senior Wrestler Jesse Corcoran and his parents. Jesse will be participating in Eastern States at SCCC this weekend.

“Coaches vs Cancer” week will be taking place January 14—18 with all Basketball Teams wearing Pink for their games. Proceeds from the games will be going to the American Cancer Society.

Check out the Athletic Website for game locations, dates, times and come out and support our athletes.
