Eldred NY 12732

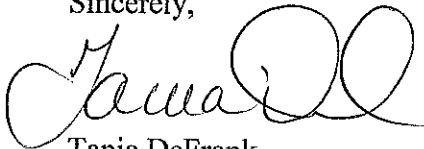

Dear Mr. DuFour,

On behalf of the Sullivan County School Boards Association, please let me thank you for your hospitality for the SCSBA Dinner Meeting on February 23rd, 2017. The meeting went well, your building looked beautiful and you and your staff had every detail covered, we felt very welcome. Please give our special thanks to Mrs. Messina and her students for the outstanding meal! The student musicians were just excellent too!

The event was for all the lead educators throughout Sullivan County including Superintendents, Board members, Board Presidents and school administrators from every school district in the county. I know the impression you left on all of us was a great one!

Thank you again for all your help making this event so successful!

Sincerely,

Tania DeFrank
SCSBA Executive Director
