Dear Ms. Keegan:

On behalf of our veterans at the Castle Point Campus, VA Hudson Valley Health Care System, I want to express my heartfelt thanks to you, the students, faculty and staff for the wonderful thought in providing the most generous gift of handmade Valentine's Day cards. The cards were distributed to our veterans in the Community Living Room Center (Veterans Village) and clinics throughout the medical center in celebration of National Salute to Veterans Week and they absolutely loved them!

Your thoughtfulness reflects the concern that you feel for our veterans and for the service they provided to all of us while in service to our country.

Without your support, we could not provide for the smaller niceties that make hospitalization more bearable. Your thoughtfulness also reflects the concern and compassion that our community feels for our veterans.

On behalf of the staff and hospitalized veterans at the VA Hudson Valley Health Care System, we extend our sincere appreciation to you all for your thoughtfulness. It is great to know that our veterans have not been forgotten by those they served.

Please accept my personal gratitude.

Sincerely,

A handwritten signature in cursive script that reads "Yvette Rodriguez-Cacho".
